## 元素卡 Elements Card

### 電影菲林放映機 Film Projector

於七、八十年代的香港，當時電影院採用電影菲林放映機以及人手放映，如出現菲林斷開，即「燒片」的情況，放映員需用駁片機駁回菲林，才可以繼續播放。

In the 1970s - 1980s, cinemas mainly used film projector and require manual control. If the film has broken, the projectionist need to use a film-trimming machine to fix the film.

### 「滿座」告示牌 "Full House" Signage

昔日香港科技尚未發達，如戲院全院滿座需人手放置「滿座」告示牌於戲院門前。

Technology has not yet developed recently, cinema would place the "Full House" signage manually when the theatre is full housed.

### 爆谷可樂套餐 Popcorn and Cola

只要說起「電影」，便會聯想到「爆谷可樂」，是看電影的最佳組合！

If we talk about "Movie", we will think of "Popcorn and Cola", the best combination for watching movies!
